**ABOUT US:** We both have enjoyed collecting since the 1960's. I, (Colleen) collected coins, and at the age of 12 bought a Victrola. I guess that started my record collection! I have played guitar and sang in clubs all over the country since the mid 1960's, as a solo, and with different groups. I still love to play out, when time permits. It's in my soul! My husband Gus, collected stamps, and records. He also played guitar in bands in the 1960's and 1970's. Together we have collected toys, records and rock and roll memorabilia.
